

6.6 DUTIES & RESPONSIBILITIES OF SUB-CONTRACTORS AND SELF EMPLOYED PERSONS

1. Sub-contractors and self-employed persons shall provide their Safety statements when requested to do so.
2. Self employed persons must conform generally to the duties and responsibilities as for employees as on page 14.
3. Sub contractors must produce evidence when requested showing that appropriate Employers Liability and Public Liability insurance is in place.
4. Sub- contractors and self-employed persons have a duty to bring to the attention of the House Manager of the **Keough Naughton Notre Dame Centre** and anything else that may be affected by any process or use of materials that may endanger health and safety while at work.
5. Sub-contractors and self-employed persons shall comply with the requirements of this Safety Statement, and co-operate with site management in providing a safe place of work, a safe system of operation and wearing of protective clothing.
6. Sub contractors must ensure their employees and others under their care are provided with the appropriate Personal Protective Equipment for the tasks that they are required to carry out e.g. proper lifting of objects, wearing of safety equipment and any other protection against overhead hazards.
7. All sub-contractors' employees, and self employed persons must attend any safety courses prepared for workers on projects managed by the **Keough Naughton Notre Dame Centre**.
8. Sub-contractors must use competent and suitable persons on site.
9. Sub –contractors must get the consent of **Keough Naughton Notre Dame Centre** to engage persons other than their direct employees on site.
10. Sub-contractors must ensure that their managers, supervisors and employees are aware of the obligation placed upon them with regard to site health and safety.
